Request for Review of USAC Decision

USAC refused to consider Letter of Appeal based on date received. I was not aware that an appeal needed to be filed until the vendor notified me of the problem on April 27, 2005.

We are diligently working to meet all of the USAC requirements. The loss of this funding would place undue financial stress on the school system. Please consider our appeal.

Letter of Appeal

April 27, 2005

Entity: Greene County Schools

BEN: 127039

Year: 2003

1.	Name: Rebecca Reagan Address: 301 Kingold Blvd, Snow Hill, NC 28580 Telephone: 252.747.7297 Fax: 252.747.4656 e-mail: rreagan@greene.k12.nc.us
2.	This letter is an appeal to the SLD decision to change the Service Start Date for FRN 1048853 and FRN 1049263.
3.	<p>The FCDL came very late in the year. We had already contracted for and received the services, with the understanding that if the FRN's were NOT funded, that Greene County Schools would be responsible for the amount due. The service provider was having numerous challenges with their billing process: we were contesting several charges. During this lengthy process, I discovered that the service provider had not applied these two FRN's to the invoice. After several months, the service provider acknowledged that the items should be filed and a corrected invoice should be issued. During the initial investigation, I was instructed by the superintendent not to "sign off" on any of the contested services. It has taken more than a year to reconcile all of the charges for that funding year.</p> <p>It is now my understanding that the 486's for FRN:1048853 and FRN:1049263 were received 3 days after the 120 day deadline, and the SLD changed the Service Start Date, making the invoice for the services ineligible for payment. I am asking for consideration based on the above-mentioned circumstances. This funding is critical to the continued success of our technology efforts in the Greene County.</p>
